

IT Alert

New Required "Payment Type" Question in AssessmentPro Beginning Next Tuesday, August 18

Beginning next **Tuesday, August 18**, a new required question will appear on the Level I when any payor source is selected that includes "Medicaid" as a payor type.

"Select the state associated with the individual's Medicaid coverage" **Your program's state initials will appear at the top of the State dropdown list.** You can also type into the list to filter quickly in the event you need to choose a different state. The picture below uses North Dakota as an example:

 **What is the individual's method of payment for nursing facility care?***

- ☐ Self Pay
- ☐ Private Insurance
- ☐ Medicare
- ☒ Medicaid
- ☐ Medicaid Pending
- ☐ Dual with Medicaid covering nursing facility
- ☐ Dual with Medicare covering nursing facility

Medicaid ID*

Select the state associated with the individual's Medicaid coverage

State*

What is the admitting facility?

- ☐ Unknown/not yet identified
- ☐ Known facility
- ☐ The facility information is correct
- ☐ The facility information is not correct

Expected length of stay*

- ☐ Non-Time Limited

If you have any questions about this update, **please reach out to your program's Help Desk.**
