

Iowa Health Care Association Foundation launches new COVID-19 vaccine education campaign – “Get the Facts About the Vax”

The Iowa Health Care Association Foundation (**IHCA**) has recently launched a new statewide COVID-19 vaccine education campaign, “**Get the Facts About the Vax**”. Made possible by a grant from the Iowa Department of Public Health’s COVID-19 Vaccine and Health Equity Grants Program, this campaign engages trusted peers to encourage fellow health care workers to learn more about vaccination from reputable medical resources.
