

Illinois Colbert Dementia Review

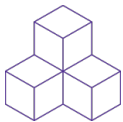

Initiate Dementia Reviews in AssessmentPro for Major NCD |
Review August Training Materials on Tools & Resources Site

Nursing Facility Providers,

We are pleased to inform you that Cook County Nursing Facility Providers are now able to initiate Dementia Reviews within AssessmentPro. Effective immediately, **please initiate Dementia Reviews in AssessmentPro for all residents that may meet the criteria of having a Major Neurocognitive Disorder (NCD)** that is progressed and unlikely to improve.

Dementia Review – Provider Trainings were held August 13 through August 15. [If you did not get the opportunity to attend or would like to review the training, click here.](#)

For information and resources about Dementia Review processes, please visit the website at: <https://maximusclinicalservices.com/svcs/il/dr/resources>.

Training Highlights

- Nursing Facility Providers are now able to initiate Dementia Reviews for Cook County Nursing Facility residents
 - Residents that meet Exclusionary Criteria will no longer need ongoing transitional outreach and assessments
 - Residents who do not meet Exclusionary Criteria will continue to participate in transitional activities
-

Steps to Initiate a Dementia Review

1. From the AssessmentPro Home Page, click *Create New Screen*
2. From the screening options select *I need to submit a Colbert Dementia Review Request*
3. Click *Continue*
4. Enter requested data and click *Next*
5. Upload the Required Documents: *H&P, MAR, MDS (Sections C and G), and past 30 days of ADL flow sheets*
6. Confirm contact information and click *Submit*
7. Outcome will be finalized within 30 days and Outcome letters will
