Stakeholder Updates:

Thanks to Attendees of Recent Quarterly Meetings | Review On-Demand Resources and Take Survey

Thanks to everyone who attended the **ND CTS LOC Quarterly Webinars** held earlier this month. These insightful sessions provided an opportunity for stakeholders to walk through important program processes, updates, and resources.

If you attended one of these events, we invite you to **take a brief survey** that's geared toward your role. This invaluable feedback will help us in planning future learning opportunities and program resources.
