Vermont PASRR

Important Program Reminders:
View On-Demand Trainings, Register for AssessmentPro Webinar and Post-Launch Q&A, Explore New Website

The State of Vermont Department of Mental Health (DMH) and program partner, Maximus continue to move toward the launch of **Preadmission Screening and Resident Review (PASRR)** Level I screens and Level II mental health assessments. As previously announced, the current paper-based PASRR process will be replaced by web-based assessment system, AssessmentPro.

Scheduled for a **November 16** launch, these changes will impact all program submissions moving forward from the transition date. Continue below for several important next steps, including:

- Take **on-demand program introduction training modules.**
- Register for **AssessmentPro webinars** coming up this month.
- Explore the new Vermont PASRR resources site.
- Contact the Help Desk with any other questions.

REMINDER: Review On-Demand Training Modules

Providers have access to two new important webinar videos, **“VT PASRR: Program Introduction**”, and **“VT PASRR: PASRR Foundations”**. These informative new, on-demand trainings provide an insightful overview of key changes to the PASRR process.

Be sure to review these required learning modules at your earliest convenience.

- **VT PASRR: Program Introduction | Recording (10:36 mins)**
- **VT PASRR: PASRR Foundations | Recording (24:41 mins)**

ACTION REQUIRED: Register for November AssessmentPro System Training Sessions

Join Maximus to learn about AssessmentPro, the new PASRR system of record for Vermont. This 1.5-hour long session will serve as a tour of the system for all individuals who will use AssessmentPro and submit Level I screens. **There will be no practice environment available, so potential system users are strongly encouraged to attend to see how the system works**.

Use the links below to register for the date and time that works best with your schedule. After registering, you will receive a confirmation email containing information about joining the webinar.

Note: Content shared in each session will be identical, so attendance is only required for one session.
