## MAKE A DIFFERENCE

**Flexible, Part-Time**  
Positions Available  
Providing Valuable  
**Assessments** to  
Impact Individuals  
Across **North Dakota**

Maximus, a leader in providing specialized assessment services, partners with the **State of North Dakota, Department of Human Services** to administer federally mandated assessments for Child and Adolescent Needs and Strengths (**CANS**).

*Learn more about CANS: <https://praedfoundation.org/tools/the-child-and-adolescent-needs-and-strengths-cans/>*

We are recruiting qualified mental health professionals across the state to join our quality network of independent contractors to provide these invaluable assessments, which ensure that the vulnerable citizens of North Dakota are placed in the most appropriate setting and receive the services they need.

The hours are flexible, and assessments may be scheduled during a time that is convenient for both the assessor and the interviewee(s). Assessments have the potential to be conducted in the evenings and on weekends, but the ideal assessor will have some regular business hours available also. This is contract work and assessors are paid for each completed assessment.

### **WE ARE SEEKING QUALIFIED MENTAL HEALTH PROFESSIONALS TO ADD TO OUR NETWORK OF ND INDEPENDENT CONTRACTORS**

#### **Requirements for CANS Evaluators**

- Have a minimum of two years of experience working with children and adolescents with behavioral diagnoses
- Have a master's degree in social work or a related field, but licensure is not required

#### **Independent Contractor Benefits**

- **Flexible schedule** - Part-time contract work where you can set your own schedule, including evenings and weekends
- **No office to report to** - Assessments occur in the field at the assessment recipient's residence. For PASRR, this may be their home, a nursing home or hospital
- **Competitive compensation rate**
