

OADS Release – “A Path for ME” SIS-A Updates and Question and Answer Sessions Assessments for Sections 21 and 29

Please join the Office of Aging and Disability Services (OADS) and Maximus, our “A Path for ME” assessment vendor. The session will offer updates and question and answer time. The sessions will focus on the Supports Intensity Scale for Adults 2nd Edition (SIS-A) needs assessments. These needs assessments will be for Sections 21 and 29 members and those on the waitlists. They will be required for participation in the developing ‘Lifespan Waiver’.

We invite you to attend these sessions to learn about the SIS-A in Maine. There will also be time for attendees to ask questions.

There are three sessions scheduled. These will be held on the 2nd Thursday of each month for April, May, and June. These sessions will be held on Zoom from 4:00 PM to 5:00 PM (one hour). Additional sessions will be added in the future.

All attendees are required to register for each session using the links below. A link to join the Zoom session will be sent to your email after you have registered. You are welcome to attend any or all sessions.
